ACKNOWLEDGEMENTS

This manual has been fully revised by the 2012-2014 Zonta International Board and is updated as of March 2014, with subsequent changes due to decisions by the 2014 Zonta International Convention. The Zonta International Bylaws and Resolutions Committee Chairman reviewed the manual to ensure that it does not conflict with the Zonta International Bylaws.

Introduction

How to use this manual

HOW TO USE THIS MANUAL

This manual is intended to serve as a general guideline for those individuals administering the clubs of Zonta International. As new clubs begin the formation process, a copy of this manual and other manuals published by Zonta International should be downloaded from the Zonta website by clicking on [Member Resources/Manuals](#). Policies and forms referred to in this manual can be found on the website at [Member Resources/ Policies](#) or [Member Resources/Forms](#).

In addition, clubs should direct all officers to [Member Resources/Governance](#) on the website to download a copy of the Zonta International Governing Documents and to [Member Resources/Directory](#) for a copy of Zonta International Directory.

Clubs vary widely as to cultural norms, the number of members in the club and their languages spoken. Consequently, *this manual should be considered a general guide; not every suggestion in this manual will be practical and appropriate for each club.*

The Zonta Club Manual is intended for use in combination with, and not as a substitute for, the Zonta International Governing Documents.

Please note that the ZI Bylaws and Rules of Procedure take precedence over all other Zonta documents, and over Robert's Rules of Order, Newly Revised (RONR) and other adopted parliamentary authorities.

ZONTA INTERNATIONAL MISSION, OBJECTS AND STRUCTURE

MISSION STATEMENT

Zonta International is a leading global organization of professionals empowering women worldwide through service and advocacy.

OBJECTS

The objects of Zonta International are:

- To improve the legal, political, economic, educational, health and professional status of women at the global and local level through service and advocacy.
- To work for the advancement of understanding, goodwill, and peace through a world fellowship of members.
- To promote justice and universal respect for human rights and fundamental freedoms.
- To be united internationally to foster high ethical standards, to implement service programs, and to provide mutual support and fellowship for members who serve their communities, their nations, and the world.

Zonta International, its districts, and its clubs shall be nonpartisan and nonsectarian.

ZONTA INTERNATIONAL ORIGINS AND SYMBOLS

- Zonta International was founded 8 November 1919 in Buffalo, New York, USA.
- The name “Zonta” is derived from the Lakhota (Teton Dakota) word of the Native-American Sioux peoples, meaning “honest and trustworthy.”
- Zonta’s emblem is a composite of several Sioux symbols ([See the Zonta website Who We Are/ZI History/Related Information/The Story of the Emblem](#)).
- Zonta’s symbol is a yellow rose. Since 1999, it has served as the symbol of Zonta Rose Day, which falls on 8 March and coincides with International Women’s Day.
- Zonta’s colors are mahogany and gold.
- Zonta’s membership pin is a symbol of our bond in Zonta. The Zonta pin is generally worn on the left side. The president wears the gavel pointing up while serving, and pointing down after completion of the term.

THE STRUCTURE OF ZONTA INTERNATIONAL

The overall structure of the organization is shown at the end of this section and shows some of the communication lines in Zonta. Additional comments are later in this section and in Section 6.

THE ZONTA INTERNATIONAL BOARD

The Zonta International Board directs the affairs of Zonta International. It consists of four elected officers, who constitute the executive committee, and seven elected directors. The Board is elected at biennial international conventions. The four elected officers are:

- The President
- The President-Elect
- The Vice President
- The Treasurer/Secretary

DISTRICTS

For administrative purposes, Zonta International divides the world into districts, each under the supervision of an elected governor and district board. The governor is the link between the district and the ZI Board via a board liaison. The governor and the district board set goals and develop strategic and biennial plans for the district. While responding to local needs, the district goals shall be aligned with the current biennial goals adopted at convention and the Zonta International strategic plan, and focus within the context of Zonta's mission.

A district conference is held at least once during each biennium to promote the objects and programs of Zonta International and to conduct the business of the district. The governor, lieutenant governor, treasurer and, in some districts, the area directors (and optional vice area directors) are elected at the district conference. The governor is formally installed at the international convention. The district board takes office at the close of the next international convention. The district board includes:

- Governor
- Lieutenant Governor
- Area Directors (and optional Vice Area Directors)
- Treasurer
- Secretary (as appointed by the Governor and has no vote on the district Board).

AREAS

- With the approval of the majority of the clubs affected, the district board shall establish areas and outline their boundaries to implement the administrative functions within the district.
- An area is an administrative subdivision of a district.
- Each area holds at least one meeting or workshop annually for all the clubs in the area. The area director and optional vice area directors can be elected at this meeting or at the district conference.
- The area director is a member of one of the clubs in the area, acts as a liaison between the area clubs and the district board and stays in contact with clubs in the area.
- In some districts, the vice area director assists the area director in the performance of area duties and performs the duties of the area director in the absence or inability of the area director.

CLUBS

The individual Zonta club is the basic organizational unit of Zonta International.

A club shall be accepted as a member of Zonta International and issued a charter if it has paid dues and fees, and provided it has elected officers, has the minimum charter membership, and is based in a country that has been approved by the Zonta International Board. Guidelines for the organization of clubs are in the Zonta International Marian de Forest Membership Manual. (ZI Bylaws Article IV, Members, Section 2. Zonta Clubs)

The rules of club operation are stated in the Zonta International Bylaws and the club's own bylaws. The club bylaws must comply with the Zonta International Bylaws and the laws of the country in which the club exists. A club bylaws template can be found on the Zonta International website.

Z Clubs and Golden Z Clubs

ZONTA INTERNATIONAL FOUNDATION

The Zonta International Foundation (ZIF) was founded in 1984 (and incorporated in 1985). The purpose of the Foundation is to carry out the charitable service purposes of Zonta International. ZIF is organized exclusively for charitable purposes.

The Foundation has one Member, known as the “Corporate Member.” The Corporate Member is Zonta International. The affairs of the Foundation are managed by the Zonta International Foundation Board. The Zonta International and Zonta International Foundation Boards have common membership and operate as two separate entities. The ZIF Board has the power and

authority to receive gifts and legacies on behalf of the Foundation and to make gifts and donations of capital as well as of income in pursuance of the objectives and purposes of the Foundation.

Club Role in Fundraising

Biennial goals are proposed and voted on at convention. The biennial goals are aligned with Zonta International's mission, objectives and strategic goals. They are intended to provide the structure for districts and clubs to develop their own biennial goals and strategic goals, while taking into account the context of Zonta International's mission and responding to local needs. As a guideline, Zonta International Foundation (ZIF) and the Zonta International Board strongly encourage each club to contribute one-third (33%) of all service monies raised locally to the Zonta International Foundation in support of the biennial fundraising goals. Contributions to the Zonta International Foundation are voluntary. No club or individual is required to make a contribution; however, the primary purpose of the Foundation is to raise the funds necessary to support Zonta's international service programs.

CLUB LEADERSHIP: THE CLUB BOARD

CLUB LEADERSHIP AND SUCCESSION PLANNING

Efficient leadership is crucial for the effective functioning of Zonta clubs. The club board must propose goals and activities that complement and enhance those of the Zonta International's strategic planning framework (found on the ZI website under Who We Are/Organizational Goals & Results). Goals and activities should be specific, attainable and effective to demonstrate clear direction.

The club board members need to have an in-depth knowledge of Zonta and sound communication skills. Both can be strengthened if succession planning and leadership training are a natural part of club leadership preparation. Potential leaders should be identified within the membership and be appointed as committee chairmen and encouraged to attend training workshops, area meetings, district conferences and conventions. The stepping stones are then in place for election to the club board.

The club board needs to take responsibility, uphold ethical principles, work towards progress for the club and organization, utilize the strengths of the members, and encourage self-development.

When asking club members to perform various tasks, club leaders should specify the nature, requirements and goals of the task, provide assistance as required, monitor progress, and acknowledge dedication and achievement.

THE CLUB BOARD

The club board is elected by the club members to direct the affairs of the club. The club board consists of a president, vice president, secretary and treasurer (the officers) and at least two directors. In its bylaws, the club may specify additional directors and additional officers such as a president-elect, first and second vice presidents, recording and corresponding secretaries, and assistant treasurer.

Qualifications

(ZI Bylaws Article XIV, Clubs, Section 4. Officers and Directors. (a) Qualifications)

Club board members should be nominated for election based upon their qualifications and abilities. All officers shall be members, and the president must have been at some time a member of the club board for at least one year, except in the case of a newly chartered club. Any member in good standing is eligible for the position of director.

Terms of Office

(ZI Bylaws Article XIV, Clubs, Section 4. Officers and Directors. (c) Terms of Office)

The officers and directors shall assume office on 1 June. The officers shall hold office for at least one (1) year, or until their successors assume office. An officer or director shall be limited to two (2) consecutive years in the same office with the exception of the treasurer, who shall be limited to four (4) consecutive years in the same office. A member who has served more than half a term shall be deemed to have served a full term in that office. At club option, a member who has served previously as an officer or director is eligible to serve in the same office again after an intermission.

Club Board Responsibilities

- Develop coordinated goals and monitor progress towards their achievement.
- Supervise the affairs of the club between meetings, without conflict with club actions.

- Recommend, but not determine, policy, advocacy actions, service projects and donations for adoption by the club.
- Disseminate Zonta International program information to all club members.
- Encourage support of Zonta International and district biennial goals, including the encouragement of club and individual contributions to the Zonta International Foundation funds.
- Approve appointments of committee chairmen submitted by the president.
- Receive reports of the committees.
- Review financial reports comparing actual versus budgeted income and expenses.
- Review and approve all individuals proposed for club membership.
- Evaluate unexcused absences and member resignations.
- Approve leave of absence for a specific period of time.
- Fill vacancies in any office except that of president.
- Consider the budget(s) and present them to the membership for adoption.
- Ensure that the club fulfills its legal liabilities in the country, province or state and local governmental unit where it is constituted.
- Ensure that club bylaws are updated and aligned with ZI Bylaws and also fulfill the legal requirements in the country, province or state and local governmental unit where it is constituted.
- Maintain a policy book (see duties of recording secretary in this section).
- Consider awarding club honorary membership to people who have demonstrated distinguished service outside Zonta.
- Ensure continuity of leadership and understanding of club board duties by meeting with the new, incoming club board prior to its assumption of office.
- Refer written complaints against a club officer or director to a special committee elected by the club for review (see ZI Bylaws Article XIV, Section 4(e)).
- Appoint a special committee to review written complaints against a member regarding behavior that has injured the good name of Zonta or hampered its work (see ZI Bylaws Article XIV, Section 11(b)).

Club Leadership Planning and Recruitment

- Encourage new members to join club committees and aspire to future leadership positions.
- Emphasize that leadership skills learned in Zonta are useful everywhere.
- Delegate responsibilities and receive new ideas positively.

It also includes training members to become new leaders:

- Allow potential leaders to function as a complement to the experience of veteran leaders.
- Large committees may use vice chairmen in order to train future chairmen.
- Mentoring by current leaders helps develop prospective leaders.

THE ROLE AND RESPONSIBILITIES OF THE PRESIDENT

The president is the chief executive of the club. In conjunction with the club board, the club president reviews and aligns club goals and objectives with the long-term and biennium goals of Zonta International and the district. The goals must be discussed with, and approved by, the club members. The membership should be kept fully informed about all relevant Zonta business. The strategic plan for the club should be updated at regular intervals.

President's Responsibilities to the Club and the Board of Directors

- Acquire a thorough knowledge of the objects, projects and policies of Zonta International.
- Help review and align club goals and objectives with the long-term and biennial goals of Zonta International.
- Initiate the development of short- and medium-to-long-term strategic plans for the club.
- Preside at all meetings of the club and the club board.
- Appoint and brief the chairmen of standing and special committees, with the exception of the nominating committee (which is elected) and monitor the progress of club committees toward achieving club goals.
- Present recommended club goals for approval.

- Pass the records of office to the incoming treasurer within 45 days of leaving office.

Club Budget

Club dues should be sufficient to finance the operation of the club and meet its budget. As an ex-officio member of the finance committee, the treasurer plays an important role in these decisions.

It is recommended that two budgets be prepared for club operations - one for the service fund, the other for the operating fund.

International Dues

- On 1 June of each year, each club shall pay to Zonta International per capita dues in U.S. dollars as established at convention based upon club membership as of 1 June. The report of membership as of 1 June shall accompany the annual remittance of dues. For members admitted from 1 June through 30 November, clubs shall pay full year per capita dues to Zonta International; for members admitted from 1 December through 31 May, clubs shall pay one-half (1/2) the per capita dues to Zonta International (ZI Rules of Procedure, 3. Dues and Fees. (a) International Per Capita Dues).

There is a fee for new, chartering and reinstated members from 1 June through 31 May. The Zonta International Board may adjust the payment of per capita dues and fees and grant extensions of time for payment.

- New, charter and reinstated members admitted from 1 June through 30 November pay full year per capita dues.
- A fee does not apply to renewing and transferring members.
- To pay dues online, please visit the Zonta website under [Member Resources/Tools/Club Tools](#).

After another forty-five (45) day time period, the appropriate governor, president and treasurer of each club still in arrears shall be notified that the club has forfeited its membership through nonpayment of dues and/or fees. By a two-third (2/3) vote of the Zonta International Board, such a club may be reinstated to membership upon payment of the amounts owed at the time its membership ceased, together with the dues and fees of the current year.

The Membership Manager will notify the ZI Board and districts when international dues are unpaid.

FINANCIAL ACCOUNTABILITY AND RESPONSIBILITY

Accounting practices as described below should be followed according to the generally accepted standards in your country.

Cash Receipts

Record all cash receipts by filling out the monthly cash receipt worksheet. Record the payer and the amount. Then record amount received under the appropriate category. (Why did the person give you the money?)

- Total the amount column.
- Total all the other columns.
- Add the totals of all the other columns. This should equal the total of the amount column.

Cash Disbursements

Record all cash disbursements by filling out the monthly cash disbursement worksheet. Record payee and amount. Then record amount paid under the appropriate category. (Why did you write a check to the person/company?)

- Total the amount columns.
- Total all the other columns.
- Add the totals of all the other columns. This should equal the total of the amount column.

Bank Statement Reconciliation

- From the monthly bank statement record the balance.
- Add to bank statement balance receipts collected but not yet recorded on the bank statement.
- Subtract the amount of any checks written but not yet recorded on the bank statement.
- Look for miscellaneous income or expenses (interest income or bank service charge on the bank statement) and record on the monthly cash receipts or cash disbursement worksheet.
- This is the adjusted bank balance. It should be equal to the amount from bank reconciliation proof step 4.

Bank Reconciliation Proof

- Record beginning cash balance.
- Add the total amount from the monthly cash receipts worksheet.

- Subtract the total amount from the monthly cash disbursement worksheet.
- This is the adjusted bank balance and should equal step 5 above.

Financial Statements

- Record beginning cash balance.
- Record revenue (cash receipts) by category; then total all of the revenue. This total should equal the total amount from the monthly cash receipts worksheet.
- Record expenses (cash disbursements) by category, then total all the expenses. This total should equal the total amount from the monthly cash disbursement worksheet.
- To the beginning cash balance, add total revenue and subtract total expense. This will give you the ending cash balance, which should equal the adjusted bank balance from above.

Suggested Cash Receipts, Cash Disbursements, Bank Statement Reconciliation, Bank Reconciliation Proof, and Financial Statements forms/templates are available on the Zonta International website under [Member Resources/Forms/Sample Bookkeeping Worksheets](#).

INSURANCE AND RISK MANAGEMENT

All clubs should analyze the need for various forms of insurance based on the customary business practices in each country, the nature of club activities, risk potential, and other factors, and make appropriate arrangements.

General liability insurance is a necessity for clubs in North America. Therefore, Zonta International has arranged for group general liability coverage for clubs in this region and the districts which serve them. An additional fee is added to the dues billing for this insurance only for these clubs. Coverage is automatic for North American clubs in good standing.

Please see the ZI website for more information on general liability insurance under [Member Resources/Tools/Club Tools](#).

(Special Note to North American clubs: general liability insurance provided by Zonta International does **not** cover what is known as **directors & officers liability**. This type of insurance would cover such areas as wrongful termination, discrimination, sexual harassment, failure to act, mismanagement of funds, breach of contract, conflict of interest, and unfair benefit. Clubs are encouraged to assess their exposure to risks in this regard and consider purchasing separate individual club policies as needed.)

Club Nominating Committee and Club Elections

Includes

- The Nominating Committee
- Election of Members of the Committee
- Duties
- Campaigning Policy
- Club Elections

CLUB NOMINATING COMMITTEE AND CLUB ELECTIONS

THE NOMINATING COMMITTEE

All clubs are required to have a nominating committee. The nominating committee seeks suitably qualified candidates for elected positions.

The nominating committee consists of at least three members who are knowledgeable about the Zonta club, its members and the qualifications required for each club office position. They need to identify potential nominees and make nominations according to the qualifications that will best suit each office.

Election of Members of the Nominating Committee

- Election of members to the nominating committee may take place at the election meeting, allowing the nominating committee a full year to identify future office bearers.
- The club board fills vacancies on the nominating committee.
- The president is not an ex-officio member of this committee.
- A club officer or director generally should not also be a member of this committee.

Duties

- Encourage club members to nominate candidates for the vacant positions (see suggested form for nomination).
- Contact prospective nominees, inform them of the duties of office and obtain their consent for nomination.
- Nominate one or more consenting, qualified members for each elective position to be filled at the annual election.
- At club level, members of the nominating committee may be nominated for office. They should leave the room during consideration of their nomination but return to vote.
- Nominate at least three members for the next term's nominating committee.
- Report the slate of officers, directors and, if desired, the candidates for the nominating committee, before the election meeting.
- Maintain confidentiality of discussion of prospective nominees.

CAMPAIGNING POLICY

Permissible and Not Permissible Activities when Running for Office

[Available on the Zonta International website under Member Resources/Policies](#)

CLUB ELECTIONS

- Election for the club board shall be held in the month specified in the club bylaws.
- At the election, additional nominations may be made from the floor, provided the nominee is qualified and has consented to serve.
- The officers, directors and, if desired, the members of the nominating committee, are elected by ballot, which may be by mail.
- Officers and directors are elected by majority vote.
- The nominating committee is elected by plurality vote (for definitions see Section 5).

- If a club is using a parliamentary authority such as *Robert's Rules of Order Newly Revised*, the same person may be nominated for more than one office even if voting for all offices is to take place simultaneously. A member elected to more than one office may choose the preferred position. A new election is held for the unfilled office after the announcement of the results of the first election. This new election should take place immediately.
- The president calls for the nominating committee report, which is usually read by the chairman and handed to the president. The president repeats the names of the nominees and asks if there are any nominations from the floor for each office. After all names are placed in nomination, the president declares the nominations closed.
- If there is only one nominee for each position, and the club bylaws allow it, a voice vote may be taken on each officer position, director grouping and nominating committee grouping (optional). The membership may also choose to adopt the entire slate at one time by voice vote.
- The president informs the membership of the procedure for casting ballots, repeats the list of nominees for each position and the vote required for their election, and declares polls open.
- The tellers distribute, count and report on ballots at the direction of the presiding officer.
- After the president determines that all eligible members who wish to vote have done so, the president declares the polls closed and asks the tellers to count the votes.
- If voting is by ballot, the business of the meeting may continue while the tellers count the ballots outside the meeting room.
- When the count has been completed, the tellers prepare a report and their chairman informs the president of its completion.
- When called upon by the president, the chairman of the tellers reads the tellers' report including the number of votes received by each candidate (see example below):
 - Sample Tellers' Report:

▪ Number of votes cast for (office)	30
▪ Necessary for election	16
▪ Candidate (name) received	19
▪ Candidate (name) received	10
▪ Candidate (name) received	1
▪ Illegal votes	0

 - (Tellers' signatures)
- The report is submitted to the president who rereads the results on each position and declares the result for that office.
- Where a candidate has a majority, the president declares that candidate elected. Where no candidate has a majority, the president announces "no election."
- In election by plurality, the president declares elected, in descending order, the number to be elected who received the highest number of votes. After the tellers' report for all offices has been read and elections declared, the president directs new ballots be distributed for the "no election" position(s), and a second balloting takes place following the same procedure until election is declared.

- The tellers' report is entered into the minutes, and the president may ask for general consent to destroy the ballots at the adjournment of the meeting. Otherwise, ballots may be kept for a period of 3 months and then destroyed.
- Newly elected members of the club board take office on 1 June. Installation may take place before or after this date.

- Respond to questions involving parliamentary procedure.
 - A parliamentary inquiry is a question directed to the presiding officer to obtain information on a matter of parliamentary procedure.
 - A point of information is a request directed to the presiding officer, or through the presiding officer to another member, for information relating to the business at hand. The presiding officer must not allow this device to be used as a strategy to further discuss the motion.

CONTENTS OF MINUTES

The secretary should include the following in the minutes of a meeting:

- The type of meeting, date, time and place.
- The name of the organization.
- The names of the presiding officer and the secretary or the names of any substitute.
- That a quorum was present.
- That previous minutes were read and approved or approved with corrections.
- That certain reports were presented, including the name of the presenter, any action taken on the report and a reference to a file where the report may be found.
- The name of the mover of each main motion and the exact text of each main motion. The names of seconders are not included in the minutes.
- The disposition of each main motion, including any amendments and whether the motion was adopted, defeated, postponed, referred to a committee or otherwise handled.
- Notices of motions to be introduced at future meetings.
- Points of order and any rulings that set precedents for future meetings.
- The time of adjournment/closure.
- The signature of the recording secretary.

SUGGESTED LANGUAGE OF A MEETING

Call to Order

The presiding officer rises, taps the gavel once and says, “the meeting will come to order.”

Introductions

Present individuals known to the members. Introduce individuals not known.

Review and Approval of the Minutes

The presiding officer says:

- “The secretary will read the minutes.” (Pause for reading.)
- “Are there any corrections to the minutes?” (Pause.)
- “If there are no corrections (or no further corrections), the minutes stand approved as read (or approved as corrected).”

If the minutes have been distributed, they need not be read unless a member specifically requests it. The presiding officer may then say, “the minutes of the last meeting were printed in the (name of publication) or were mailed with the meeting announcement. Are there corrections to the minutes as distributed (or as mailed)?”

Report of Officers, Club Board or Committees

- **Secretary and Treasurer:** The presiding officer says:
 - “The next business in order is hearing reports of the officers.”
 - “Has the secretary a report on correspondence?” (Action on correspondence will be taken up under “new business.”)
 - “May we have the treasurer's report?”
 - “Are there any questions?” (Pause.)
 - “The treasurer's report will be filed for audit.”

- **Other officers and the club board:** The presiding officer asks other reporting officers to speak.
- Standing committees are called upon to report in the order of listing in the bylaws.
- The presiding officer states the name of the chairman of the committee, followed by “Chairman of the ...committee is recognized to report.”
- If uncertain, the presiding officer may ask: “Does the ...committee have a report?”
- Special committees are called upon to report in the order in which they were appointed or alphabetically. It is wise to inquire before the meeting of any intentions to report. The presiding officer says, “the next business in order is hearing the reports of the special committees.”

Unfinished Business

The presiding officer should know whether there is unfinished business, and says:

- “Under unfinished business, the first item of business is...,” or
- “The next business in order is...”

New Business

This includes correspondence requiring action by members. The presiding officer says:

- “Is there any new business?”
- “Is there any further new business?”

Announcements

Prepare a list of announcements to be made by the presiding officer or others.

Program

The program committee chairman presents the program. The program presenter closes with, “Madam President, this concludes the program.”

Adjournment/Closing

The presiding officer asks, “is there any further business?” (pause) A motion may then be made to adjourn.

Alternatively, **to save time**, the presiding officer says, “if there is no objection, the meeting will now adjourn.” (pause)

- “Since there is no objection, the meeting is adjourned.”

The presiding officer then raps the gavel once.

HOW TO PRESENT A MOTION

For a complete description, please refer to Section 12.

A Motion is composed of:

- Reference to the agenda item
- The words “I move” followed by the statement of the motion
- The rationale (background) for the motion

IMPORTANT VOTING TERMS

ZONTA COMMUNICATION

ZONTA INTERNATIONAL ORGANIZATION AND COMMUNICATION

Please use the following order to communicate with Zonta International leadership:

Club Member ⇨ Club President ⇨ Area Director ⇨ Governor ⇨
Board Liaison ⇨ Zonta International Board ⇨ International President

Individual Zonta members receive information about Zonta directly via club and area meetings, district conferences, club, area, and/or district newsletters, club and district websites, the International Convention, *The Zontian* magazine, Zonta International e-newsletter, social media tools, and the Zonta International website.

ZI HEADQUARTERS COMMUNICATIONS TO DISTRICTS, CLUBS AND MEMBERS

[See Zonta International website under Who We Are/Contact Zonta](#)

Direct Mailings from ZI Headquarters to Club Presidents

The majority of information is sent to clubs via email, directing the club to the ZI website for complete information. For this reason, it is extremely important that each club inform ZI Headquarters of the club's **permanent** club email address. **All new clubs are expected to establish a permanent club email address at the time of chartering.**

There are one or two mailings from ZI Headquarters per year that include:

- Governing Documents – once a biennium.
- ZI Headquarters cover memo containing information of importance to clubs.
- Audited financial statements for ZI and ZIF.
- Matters to be voted on at convention (even years).
- Various relevant materials at time of mailing.

Direct Mailings to all Zontians

The Zontian magazine is published biannually and contains articles about Zonta International and its Foundation, and gives details of Zonta programs and activities at the international, district, area and club levels. Annual dues to Zonta International cover a subscription to the magazine.

Members who do not wish to receive a printed copy of the magazine can choose to read the magazine on the ZI website in its digital format. Members selecting this option will be notified via email when a new issue of the magazine is available online. To remove themselves from the distribution list for the printed magazine, members should send a request with their name, club and preferred email address to pr@zonta.org.

COMMUNICATION FROM MEMBERS, CLUBS AND DISTRICTS

Communications between districts and the Zonta International Board occurs with the assistance of a board liaison. The liaison is a member of the ZI Board appointed by the Zonta International President. Questions, ideas and suggestions progress from members through the club president, area director, lt. governor and governor to the ZI Board through the ZI Board liaison. It is likely that questions may be answered at one of the first levels of communication.

COMMUNICATION WITHIN THE DISTRICT

The following communications are sent to each club within a district:

Governor's Newsletter

Three or four are recommended per year and should:

- Contain information from ZI Headquarters and Zonta International Board and committees.
- Contain information from the district board and committees and others.
- Inform about district conference and other highlights, activities and concerns.

Area Director's Newsletter

Three or four are recommended each year and should:

- Contain information from district board meetings and area meetings.
- Contain information on programs and achievements of clubs and on club administration/training.

CLUB COMMUNICATIONS

Club Newsletter

A newsletter should be published regularly and sent to all club members, the area director, governor, district chairmen and others as decided by the club. The content could include:

- Information regarding past, current and coming events and activities of the club.
- Project information.
- Articles submitted by members.
- Special articles/information from other Zonta publications.
- Translated information from other Zonta sources, such as *The Zontian*, where language may be a barrier (if it does not duplicate information in the governor's newsletter).
- Member profiles.
- Welcome to new members.

Club Calendar

The club may develop and publish a club calendar - a yearly plan of events and activities shown month by month (see Section 7).

ELECTRONIC NOTIFICATION

In general, email notification and website publication constitute adequate notification to members, unless the club bylaws specify that a notice is to be given "with proof of service." Each club (and district) may wish to evaluate the degree to which electronic communication is widely used in the club (or district) in order to determine acceptable methods, while also considering cost and time efficiency factors.

COMMITTEES

Committees may publish their activities in the club calendar.

Committees report in the following ways:

- The chairman of a club committee sends reports to the district committee chairman and copies the club president.
- The district committee chairman sends reports to the international committee chairman (ICC) and the governor.
- The governor, through the ZI Board liaison, and the ICC both send reports to the ZI Board.
- The ZI Board sends reports to the ICCs on activities in all the districts.

CIRCULARIZATION

The Zonta International Rules of Procedure (published in the Governing Documents) contain provisions for circularization of organizational information.

- (1) Membership lists (i.e. club rosters, Zonta International directories, district directories, or other lists including members' addresses and/or telecommunications numbers) are not to be made available to non-Zontians, or used by Zontians for the purposes of selling goods and services or for personal, financial or political gain.
- (2) Zontians will not use membership lists or act in any other way to contact other Zontians for the purposes of lobbying for or against proposals that will be voted on, or for or against nominations for office or candidates who are running for office, at international conventions, district conferences or other Zonta meetings.
- (3) Membership lists may be provided to other organizations with the approval of the International Board and with that of the district boards and in compliance with any local privacy legislation.
- (4) Except as is mentioned above, Zontians are encouraged to network with each other for business purposes.

CLUB WEBSITES

Every Zonta club is encouraged to have a web presence (either its own site or a page on the district or area site). In the case of new Zonta clubs, it is suggested that appropriate website and

email addresses be established at the time of chartering. Club websites should be coordinated with information contained on the district website. Club websites should not duplicate information found on the ZI website but should include a link to the ZI website. Club websites should provide easy access to information and contacts for inquiries from prospective members and award applicants.

ZI WEBSITE RESOURCES FOR MEMBER INFORMATION AND NETWORKING

Leadership Access to Membership Data and Summary Lists

Purpose:

The purpose of this feature is to provide select leadership groups with two basic reporting tools. These tools provide limited information for specific purposes and are not intended to provide all possible membership reports available through Zonta’s offline membership database to everyone.

ZONTA INTERNATIONAL BIENNIAL CONVENTIONS

PURPOSE OF CONVENTIONS

Zonta International conventions are an important part of our organization. Convention is the highest decision-making level of Zonta International. The purpose is to:

- Present an informative, motivational and educational program.
- Determine organizational policies.
- Elect Zonta International officers and directors and members of the Zonta International nominating committee.
- Report and review progress in achieving Zonta's mission and objects.
- Vote on proposed amendments to the Zonta International Bylaws, on dues and fees, on resolutions and goals for membership, for programs (including the international service projects) and for contributions.
- Introduce the program and activities for the next two years.

Conventions are also a unique opportunity for all Zontians to learn more about the organization, to make their voices heard, to network with other Zontians, and to build Zonta international friendships. All members are encouraged to attend. Convention materials, including registration, hotel, transport, tour and program information, are available on the website and distributed at least six months before each convention.

DISTRICT CONVENTION LIAISON

Governors are requested to appoint a district convention liaison to provide information on the concept and details of the convention and to encourage all members to attend. A convention promotional video is provided to each district.

BYLAWS CONCERNING CONVENTION

See ZI Bylaws Article X.

CALENDAR OF EVENTS

In even years:

- The club elects delegate(s) and alternate(s) to the biennial convention in March or April.
- The club president signs the credentials registration or proxy (if no club member can attend) form or completes it online. Instructions and electronic forms are provided to the clubs in the even year. **It is essential that clubs observe the deadline for submission of this information.**

THE BUSINESS OF THE CONVENTION

- Report of the ZI President, the ZI Finance Chairman or Treasurer, selected international committees, and the Executive Director.
- Proposed amendments of Zonta International Bylaws.
- Presentation of candidates and elections of Zonta International Board and International Nominating Committee.

- Report of the ZIF President, the ZIF Treasurer/Finance Chairman, recognition of special donors.
- Presentation of program information, including selected award recipients.

RESPONSIBILITIES REGARDING THE CONVENTION

- Clubs: elect and send one or more delegates and alternates (depending on the number of members in the club) and report the delegates (or proxy) to ZI Headquarters by the stated due date in the even year.
- Delegates: prepare for the issues, attend all business meetings and make a report to their clubs.
- Alternates: help the delegate before, during and after the convention, including attending the business sessions, taking notes and replacing the delegate if necessary.
- Proxy bearers: see delegate and proxy duties below.

DELEGATE AND PROXY DUTIES

- Delegates – **Before the convention, prepare** for the convention issues with club board and club members (e.g. possible questions, Zonta International Bylaws, elections, workshops, district meetings).
- Proxies – Any club unable to send a delegate to convention may be represented by a proxy. A proxy is the power given by one club to the delegate of another club to vote for the absent club. If the club will be represented by proxy:
- The club cannot instruct a proxy bearer how to vote but may express the club members' views on the subject(s) provided that no new information is presented at convention that would affect the final decision.
- Conferring a proxy indicates the club's confidence in the bearer to vote in the best interest of the club.
- Some districts have customs or provisions in the district rules of procedure to financially subsidize the expenses of the proxy bearer.
- **Bring to Convention:**
 - Current Zonta International Bylaws and proposed amendments to Bylaws.
 - Candidates' biographies.
 - Tentative convention program schedule (available on the website under [Member Resources/Convention](#)).
 - Copy of the credentials registration form/confirmation

 - Participate in Meet the Candidates and vote in the elections.
 - Wear appropriate identification at business meetings.
 - Wear badge during entire convention.
 - Transfer (through credentials desk) delegate identification, voting credentials/voting device to alternate if delegate needs to leave.

Zonta Archives

Background

Club Archivist

Retention and Disposal Guide

Records Retention and Disposal Schedule

ZONTA ARCHIVES

BACKGROUND

A special committee on Archives in 1994 formalized a policy to be followed by all clubs and districts. The objectives of an archives committee are to:

- Gather information about material which already exists.
- Put procedures in place to initiate an archival program.
- Guide assessing what is of value for retention.

In the club, it is never too soon to begin to:

- Bring together what can be found.
- Assess the records for archival value.
- Arrange and list them for easy reference.
- Deposit them in a safe and accessible repository.

The reason is twofold:

- For administrative purposes.
- For historical reference.

The records are the source materials from which future office bearers may draw information on what has gone before, how things were done in the past, precedents which were set, legal agreements and other matters. Past records not only give the evidence of the formulation of a policy but also reveal the background and reasons for following such a course.

Records are the raw material from which history is written, but a written history must never supplant the basic records. These records contain the evidence that may be needed for many other purposes. The destruction of archival records on the grounds that a history has been written should not be contemplated.

CLUB ARCHIVIST

It is recommended that each club (and district) appoint an official archivist or a committee and commence an archival program. The steps to be taken for this program are as follows:

- Appoint a club archivist. The archivist should have overall responsibility for all record keeping and ensure that each office bearer maintains records in a satisfactory manner.
- Draw up a records management scheme, including a records retention and disposal schedule, to indicate which records should be created, the appropriate retention time in the current system, and when they should be transferred to archives or destroyed. A basic format is included below.
- Using this schedule, the archivist should assess any non-current records currently held by clubs or individuals.
- After assessment, the archivist should only retain the valuable material.
- At the end of each biennium or term of office, the archivist should ensure that all records are accounted for and assessed. Records are then retained, transferred to archives or disposed of appropriately.

- The archivist may negotiate with an appropriate archival repository, library or other institution engaged in preserving documentary material, with a view to depositing the archival records. The repository should be located in a convenient area to ensure easy access. The records will be preserved in a safe environment and will be readily available for general research. This course should be pursued if at all viable.
- Before records are transferred to archives, either within the club or to an outside repository, a detailed listing should be prepared, including file title and date coverage. One copy of the listing should be lodged with the archived records and another copy retained in the club's current records.
- A designated person should maintain a collection of newspaper cuttings, photographs and such ephemeral items as may be of interest in the history of the club or district.
- A designated person or persons should, where appropriate, conduct interviews with earlier members to build up a collection of oral histories about the club.
- It is recommended that archival activities be included in the annual club report to the area director. Reports should include information on the location of archival material, details of transfers during the year, and any other archival activities.

The most important question facing the newly appointed archivist is what should be kept and what destroyed? As a basic rule, ask these questions:

- Would this be of any use in club business or administration?
- Would this be of use historically, in writing a history, or preparing a speech or exhibit?

Minutes and Files

The most important records of a club or district are the minutes.

- All club board and general meeting minutes should be kept securely.
- Committee minutes are also important, as are annual reports, membership lists and financial records.
- Files of significant activities, scrapbooks, photographs, newsletters, brochures and any other publications of the club or district should be kept for the information they contain and the activities that they illustrate.
- Non-archival records should be destroyed after a specified time as they clutter the collection and waste valuable storage space.

RETENTION AND DISPOSAL GUIDE

The following is a basic retention and disposal guide for clubs. It should be varied according to individual records and circumstances. The following archives should be retained:

- Minutes of club board, general and committee meetings.
- Annual reports.
- Membership lists and the annual slate of officers, club board members, and nominating committee.
- Financial records - some may be required for a statutory period only.
- Files relating to commencement of club, charter, incorporation, bylaw options, special projects and significant activities.
- Scrapbooks, photographs and oral history tapes.
- Newsletters, brochures and other publications of the club.

Access to the following **non-current** publications is useful, but there is no need for every club to keep them. Retention should depend on their availability in area and district collections:

- District and area material
- International Rules of Procedure, Bylaws, newsletters, *The Zontian*, etc.
- International brochures and circulars

Destroy after 2-4 Years (unless they fall into any of the above categories)

- Correspondence with ZI Headquarters, district, area, and clubs.
- Newsletters and publications other than above.

RECORDS RETENTION AND DISPOSAL SCHEDULE

Below is a format for creating a records retention and disposal schedule. The headings and retention periods will be at the discretion of the archivist as ratified by the club or district. All records created by a club or district should be included and their retention classification specified.

Club: **District:**

Title	Retain in Club	To Archives or Destroy

ZONTA HISTORY AND ZONTA EMBLEM

HISTORY OF ZONTA INTERNATIONAL

In January 1919 in Buffalo, New York, USA, Marian de Forest and four other women executives who had attended a social meeting of the Kiwanis Club of Buffalo, an established all-male service club, were inspired to develop a new kind of service club, composed of women who were recognized leaders in their businesses and professions. Initially they founded the first Quota club, but after several months, de Forest and others decided to leave and start a new organization.

Clubs were organized in the USA in Buffalo, Rochester, Binghamton, Elmira, and Syracuse, followed by Erie, Ithaca, Utica and Detroit. Under the leadership of its charter president, Marian de Forest, a playwright and newspaper critic, the Buffalo club established specific guidelines for membership and classification, which the other eight clubs soon adopted.

The Confederation of Zonta Clubs was formed on 8 November 1919 in Buffalo. Mary E. Jenkins, newspaper publisher and civic leader, was elected the first president. Bylaws and a constitution were drafted and adopted. In order to select a name, each club submitted a list. The final vote was almost unanimous in adopting the Binghamton club's suggestion of "Zhonta." The Bureau of American Ethnology of the Smithsonian Institute later corrected the spelling to "Zonta," explaining that the word was derived from a dialect (Teton Dakota) of the Sioux peoples, a Native American group. It signified the quality of being "honest and trustworthy."

In April 1920, the first meeting of Confederation officers was held in Rochester, New York. The Zonta colors were chosen and the Zonta emblem officially authorized. In October, the presidents of all existing clubs met in Syracuse, New York and adopted two resolutions:

- that Zonta clubs should adopt the specific aim of fostering education and constructive work for girls and young women; and
- that the first Convention of the Confederation should be held in Syracuse in May 1921.

The Confederation was incorporated under the laws of New York State in February 1922. Five years later, Zonta became international when the club of Niagara Falls, composed of members from Canada and the United States, organized Toronto as the first club in Canada. In 1930, Zonta was introduced to Europe through new clubs in Vienna and then in Hamburg. Growth continued steadily in Europe and Scandinavia over the following decade. In the late 1940s and early 1950s, Zonta established itself in Latin America and Asia. In the 1960s, Zonta grew in Asia and was introduced to New Zealand and Australia. By 1970, Zonta became truly worldwide when six African nations joined the organization, and in 1991 Hungary joined Zonta with the first Eastern European club.

ZONTA'S NAME

The name "Zonta International" was officially adopted at the 1930 Convention in Seattle, Washington. In September 1930, Zonta was incorporated under that name in the state of Illinois. The following year, the word "Zonta" was registered with the Trademark Division of the United States government in Washington, D.C.

ZI HEADQUARTERS

Zonta's business was administered from Buffalo and Utica, New York until 1928 when Chicago was chosen as the site for the organization's permanent headquarters. First a small office was leased on Michigan Avenue, then a small suite in a building near the Art Institute of Chicago and, in 1957, a larger space in the same building. By 1979, Zonta International had again outgrown its space and relocated to 35 East Wacker Drive. In 1986, ZI Headquarters moved and the Zonta International Foundation purchased the building at 557 West Randolph Street in Chicago. Today, Zonta International and the Foundation are located at 1211 West 22nd Street, Suite 900, in Oak Brook, Illinois, a western suburb of Chicago.

GROWTH

In its first 15 years, Zonta International grew to 130 clubs. In November 1934, every club held 15th anniversary celebrations with salutes to the founding club in Buffalo and to Marian de Forest as the original moving spirit. When Marian de Forest died in 1935, a memorial fund was established to carry on her passionate work in promoting the organization and growth of Zonta clubs. For several years, the fund was maintained by voluntary contributions. Now, funds for this work are budgeted by the Zonta International Board from member dues.

In March 2014, there were approximately 1,200 Zonta clubs in 66 countries and geographic areas.

RELATIONSHIP WITH THE UNITED NATIONS

Since the formation of the United Nations in 1946, Zonta has sent observers to UN sessions and actively promoted UN principles and activities. Today, appointed representatives in New York, Paris, Geneva and Vienna keep members informed of UN activities and actions. In 1963, Zonta International was granted Consultative Status with the Economic and Social Council (ECOSOC) of the United Nations. This status was upgraded to Category II Consultative Status in 1969 and then, in 1985, to Category I Status - the highest recognition for United Nations-related activity. In 1998, a change in United Nations classifications gave Zonta International "General Consultative Status" with ECOSOC. Zonta was also granted Consultative Status with the United Nations Educational, Scientific and Cultural Organization (UNESCO) in 1971, the United Nations Children's Fund (UNICEF) in 1972, the United Nations Development Fund for Women (UNIFEM), and the International Labor Organization (ILO). In 1983, Zonta International was granted Consultative Status with the Council of Europe. In 2004, a Council of Europe Resolution changed Zonta International's status with the Council from "Consultative Status" to "Participatory Status." On July 2, 2010, the United Nations Development Fund for Women (UNIFEM) became part of the United Nations Entity for Gender Equality and the Empowerment of Women (UN Women). Zonta International has Consultative Status with UN Women.

CLUBS AND ZONTA INTERNATIONAL

Clubs may interact with other Zonta clubs in any country informally or more formally by adopting joint programs, exchanges etc. The online directory is one method of arranging communication and special relationships between members and clubs.

How may a club establish exchange programs?

Professional Exchanges: Zonta International encourages person-to person, informal exchanges between Zontians sharing a profession in order to observe how that profession is practiced in another country. The online directory on the website provides an opportunity for contacts within classifications.

Student Exchanges: Zonta International recommends that Zontians arrange private exchanges or partner with other organizations with established youth exchange programs such as American Field Service, Youth for Understanding, or Rotary Youth Exchange.

Club and District Visits: Any tours, visits or exchanges arranged by clubs or districts are considered to be club or district activities. Appropriate insurance is strongly advised. Additional information is available from ZI Headquarters.

How are international elections conducted?

Candidates for the Zonta International Board are nominated at-large while candidates for the Zonta International Nominating Committee are nominated both by continent and at-large by the current international nominating committee. At least two candidates are nominated for each office and elections take place at the international conventions.

Zonta International and the Zonta International Foundation are legally and financially two separate entities with separate bank accounts and financial records. All international dues payments are credited to Zonta International. Foundation contributions to support service programs are credited to the Foundation. Separate payments reduce financial record-keeping, save time and money and help ensure that payments are credited to the correct club.

How do clubs and individuals transfer payments?

Instructions to transfer dues payments are available on the Zonta website [under Member Resources/Tools/Club Tools](#).

Instructions to transfer Foundation contributions are available on the Zonta website under [ZI Foundation/Donate Now](#).

ZONTA SERVICE

How should a club service project be identified?

Zonta clubs are authorized to use the Zonta name and emblem on club projects or programs approved by the club. Clubs are not authorized to call a club project a “Zonta International” project. If the word “Foundation” is used, it should be clear that it does not refer to the Zonta International Foundation.

How do we define “Service Hours”?

“Service hours” refer to actual hours spent delivering an activity to individuals or groups outside of Zonta. It does not include hours spent at club meetings or hours spent in fundraising activities. It includes the total number of hours the club has taken part in service. The time determination is based on the time commitment for the project, rather than the number of participants. For example, if a club has agreed to provide volunteers at a women’s rape crisis center for ten hours per week for three weeks, then the hours recorded will be 30 hours. It does not matter if two members spend 15 hours each or five members spend six hours each.

“Service hours” do not include time members spend on projects that the club has not formally adopted as a club project, even though these may be consistent with Zonta’s aims. It does include the hours spent planning for the club service activity.

We have many local needs. Why should our members also support programs through our Zonta International Foundation?

Our Foundation is part of what unites us as a truly international organization. The Zonta International Board adopted (January 1997) the following policy:

Zonta International is a worldwide service organization of executives in business and the professions working together to advance the status of women, and Zonta supports special service programs and projects at the international level that unite the clubs and individual members globally. This basic element of Zonta carries the expectation that every Zontian contribute to building the Zonta International Foundation into an effective tool for assisting the advancement of women. Although the ZI Board recognizes that clubs and districts carry out their own [local] service projects to help advance the mission of Zonta International, such activities must not interfere with the basic obligation of individual Zontians and clubs to

support the Zonta International service [programs and] projects selected at the international level.

It is recommended that 1/3 of the service funds raised by the clubs be donated to one or more of the Funds administered by the Foundation.

See the Zonta website [ZI Foundation](#) for more information on contributing to the Zonta International Foundation or contact your district foundation ambassador.

Parliamentary Procedure

Includes
Background
Motions

PARLIAMENTARY PROCEDURE

BACKGROUND

Parliamentary procedures are a consistent set of rules that govern deliberative assemblies. The rules are intended to protect the individual, the minority, the majority, the absentee and the organization. Parliamentary procedures are based on the following principles of parliamentary law:

- Justice and fairness to all
- Consideration of one subject at a time
- Right of the minority to be heard
- Right of the majority to rule

Members should understand the basic fundamentals of correct procedure in order to take an active part in the business meetings. Correct procedure is designed to maintain order, to ensure justice and equality, and to expedite business, requiring common sense and courtesy in its application.

The parliamentary authority of Zonta International is the current edition of *Robert's Rules of Order Newly Revised*. Article XIV Section 12 of the ZI Bylaws states that each club shall adopt a recognized parliamentary authority. For Zonta International, *Robert's Rules of Order Newly Revised* governs the biennial Convention and Zonta International Board operations in all cases in which they are applicable. The highest rules that govern this organization are the Articles of Incorporation of Zonta International, the Zonta International Bylaws, and the Rules of Procedure adopted by the organization. *Robert's Rules of Order Newly Revised* only takes over where the other rules are silent.

Districts and clubs shall adopt a recognized parliamentary authority in their country, adhering to the four principles indicated above.

If any provision of the Zonta International Bylaws is contrary to the laws of the country, state or province in which a club is organized, that club shall notify the ZI Board in writing of the need to conform to such laws.

MOTIONS

How to Present a Motion

(Based on *Robert's Rules of Order Newly Revised*)

- A member seeks recognition by raising a hand or standing and saying "Madam President."
- The presiding officer recognizes the member.
- After identifying her/himself, the member says: "I move that..." followed by a statement of the motion. If the motion is lengthy, a written copy should be given to the presiding officer. A brief introduction may precede the motion and the proposer may choose to be the first to speak to it. The proposer can speak only in favor of the motion but can vote for or against it.
- The motion should be seconded by some other member. This indicates that at least one other member believes that the business should come before the group. The seconder can speak or vote for or against the motion. A seconder is not required when the

secretary presents a recommendation from the club Board or when a committee chairman presents a committee recommendation and then moves its adoption.

- The presiding officer states the motion, which then belongs to the group. The proposer can only withdraw or change the motion by permission of the group.
- The presiding officer receives discussion, alternating debate for and against.
- When discussion is finished, the presiding officer restates the motion and calls for the vote, normally a voice vote, a show of hands or by standing. Affirmative vote is taken first, then the negative vote. A negative vote must be taken even when the affirmative vote seems predominant.
- The presiding officer announces the outcome of the vote and any required action, then introduces the next item of business.

The following information is based on the current edition of *Robert's Rules of Order Newly Revised*. However, it is hoped that the information will be of assistance to Zonta clubs worldwide in conducting and expediting business meetings.

Ranking Motions

In the chart on page 89, there are thirteen ranking motions that have an order of precedence; or in other words, certain motions have priority over other motions.

The “main” motion is the lowest in rank of the ranking motions. The main motion introduces new business to the assembly, proposing that certain action be taken on a subject to be considered. A main motion can only be made when no other motion is pending.

The “subsidiary” motions rank next. The subsidiary motions aid the assembly in disposing of the main motion either permanently or temporarily by altering it, by referral, or by otherwise disposing of the motion.

The “privileged” motions are the highest in the sequence of ranking motions. The privileged motions do not relate to the business that is pending.

Of the thirteen ranking motions, it is important to keep in mind that a motion of a higher rank than the motion that is pending is always in order. A motion of a lower rank than the motion that is pending is not in order. Used individually to take action, a ranking motion takes precedence over the motions that are listed below it, and a ranking motion yields to any and all of the motions above it.

There are also non-ranking motions that can help to accomplish the desired business in an orderly way. Some of the non-ranking motions most often used are listed on the following pages.

Non-ranking Motions

Non-ranking motions are the “incidental” motions that deal with questions of procedure arising out of other motions or items of business; these incidental motions are disposed of before business continues. A partial list of incidental motions is included in the chart on page 90.

Motions that Bring a Question Back to the Assembly

In addition to the main motion, the subsidiary motions and the incidental motions, the final category of motions is that covering the motions that bring a question back to the assembly. A chart of such motions is on page 91.

Use the Proper Motion to Obtain the Desired Result

Under the parliamentary authority, *Robert's Rules of Order Newly Revised*, there is a motion designed to handle the different situations during meetings. If the member knows the purpose to be achieved, use of the proper motion will normally obtain the desired results.

US TAX MATTERS AND FILING REQUIREMENTS

Note: This information is only important for clubs in the US. Please read carefully.

ZONTA INTERNATIONAL – TAX STATUS

Zonta International is a *non-profit* organization under Sec 501(c)(4) of the Internal Revenue Service Code. As such, Zonta International is *exempt* from Federal and State of Illinois Income Tax.

Zonta International is an association of clubs and for tax law purposes is *not a charitable* organization and is hence *not exempt* from the State of Illinois Sales Tax and Use Tax on purchases made to carry out its activities. Contributions to Zonta International are not tax exempt to the donor.

ZONTA INTERNATIONAL FOUNDATION – TAX STATUS

Zonta International Foundation is a *charitable non-profit* organization under Sec 501(c) (3) of the Internal Revenue Service Code. As such, Zonta International Foundation is *exempt* from Federal and State Income Tax and from the State of Illinois Sales and Use Tax.

The exemption for sales tax applies on purchases *directly made by the Zonta International Foundation* to carry on its charitable programs and activities and all fundraising activities.

ZONTA CLUBS IN THE US – TAX STATUS

Zonta clubs have the same *federal income tax status* as Zonta International, i.e., *non-profit tax exempt organization with 501(c)4 status* under Zonta International's group exemption (Number: 1219). Note: clubs are *not* considered charitable 501(c)(3) organizations.

IMPLICATIONS FOR CLUBS IN THE US

- In order to be recognized by the Internal Revenue Service as a part of Zonta International's group exemption, each club must have an employer identification number. To obtain this identification number, complete IRS Form SS-4, Application for Employer Identification Number (EIN), and submit it to the IRS. Upon notification of your identification number from the IRS, notify ZI Headquarters of this identification number. Each club must also submit its authorization to ZI Headquarters to be included in the group exemption.
- Clubs in the United States with gross revenue from all sources totaling more than US\$25,000 must file an IRS 990 annually by 15 October. Zonta International files a group return for clubs with US\$25,000 or more in revenue that request to be included in this return and submit financial statements by 31 August. Clubs may choose to file as part of the group return or file a separate return on their own. Clubs in the United States with gross revenues of \$25,000 or less are required to file a 990-N (e-postcard) electronically with the IRS. Each club is responsible for determining and following its own state or county's filing requirements.
- Zonta clubs in Illinois or in any state are *not authorized* to use the Zonta International Foundation Illinois sales tax exemption number, even when engaged in fundraising activities that may benefit the Foundation. The use of this number is limited to the Foundation. The Foundation cannot monitor its use by others, and unintentional misuse could jeopardize the Foundation's tax status at the state and possibly federal levels.

- Zonta clubs are *not* automatically exempt from sales tax even when raising money for charitable purposes. You must follow your state regulations.
- If your club has established a charitable 501(c)(3) fund/club foundation, donations to that entity - either for your local projects or for ZIF - are tax deductible. You must provide written receipts for contributions of \$250 or more. You must deduct the value of any services or products provided in exchange for the donation. For example, a benefit dinner ticket costs \$100/person. The actual cost of the dinner is \$65. The ticket should state \$35 is tax deductible as a charitable contribution. A donor buys 8 tickets for a cost of \$800; \$280 is tax deductible. The 501(c)(3) entity should issue a receipt for \$800, stating that the tax-deductible portion is \$280.
- If your club does *not* have a charitable 501(c)(3) fund/club foundation and funds raised do not go directly to a 501(c)(3) organization, a notice should accompany all solicitations and fundraiser event tickets to read as follows:
“Payments for participation in this fundraising event are not deductible as charitable contributions for United States Federal Income Tax purposes.”
- Any donation from an individual directly to Zonta International Foundation may be tax deductible. The Foundation can provide receipts only to *clubs, organizations or individual donors* who make their payments directly to the Foundation.
