**BRA DRIVE Service Project**

A bra is more than an undergarment. It's a vehicle of hope and freedom. That unworn bra stuffed in the back of your drawer may not be the best fit for you, but somewhere across the world, the bras you donate become inventory for the incredibly brave women who are survivors of human trafficking as they embark on their own "BRA Selling" businesses. We love that Zonta District 11 can have a direct link to supporting a rescued woman in her life changing entrepreneurship!

**How your Club can Help**

- \* Coordinate a shopping day to second-hand stores
- \* Have drop off boxes at local businesses
- \* Use your clubs and your members personal social media accounts to share about the collection

**BRAS? YES, YOU READ THAT CORRECTLY.**  
Maybe you have one or a few bras in your drawer that you don't wear? We accept new and gently used bras in good condition.

Bras and the second-hand clothing market provide a safe and powerful economic opportunity for survivors of trafficking in the developing countries we serve. A woman only has to sell 4 bras a day to earn a livable wage.
